GRAMPIAN HOTEL

traditional Scottish hospitality

Our main function suite

Capacity: 170 at rectangle tables or 100 at round tables.

The tables can be placed (with cups, saucers, side plates on each table) or left blank and everything served buffet style.

This room is located at the back of the hotel with a bar and toilets within the room. The bar can be open or closed depending on preference.

Parking & Access

We have 9 spaces at the front of the hotel; additional parking is available at the Library opposite the hotel and behind the Waverly.

Family Parking can be arranged

Disabled access: We have a ramp through the gate to the right hand side of the hotel, this brings you into the restaurant and bar and access to the function room is through the reception. The Disabled toilet cubicle is located in the ladies function suite toilet.
