

The White Hart Beer & Music Festival, Sat 20th & Sun 21st July  
In memory of Pete Hacking

**ANNOUNCING THIS YEAR'S FESTIVAL ALE!**

Allergen Warning: Contains MALTED BARLEY (gluten)

## **Cracking Hackings ABV 4.1%** **From The Rother Valley Brewing Company**

**A fitting tribute to a much missed friend, Pete Hacking, who very sadly lost his battle with cancer this year.**

We've lost too many friends to this horrible disease so please help us raise lots of money for Cancer Research UK.

We're also supporting Team Ben Hammond this year.

**Please give generously and help us raise as much as we can for our festival charities!**

**Raising money and awareness to support annual heart screenings for young people.**
