YOUR SPECIAL DAY

## A special place for your special day

Congratulations on your engagement!

We are so pleased you are considering The Nevill Arms as a venue for your wedding celebrations. We hope we are able to offer you the kind of setting and service that your special day deserves.

Located in the picturesque village of Medbourne and set beside a tributary of the river Welland, there is a towpath which follows the river from the footbridge that leads over the Pack Horse Bridge directly to our beautiful church and village shop.

Our venue accommodates up to 80 guests (min 50) for your wedding breakfast in our dining/function room and then 100+ guests for the evening when other friends arrive including a large private terrace courtyard with conservatory to host your evening buffet or barbeque.

The terrace in the courtyard is also a fabulous place for your photographs.

We have ten bedrooms, to accommodate your guests including a bridal suite.

Friendly helpful staff and excellent food, all prepared by our team of outstanding chef's, will help to make your day perfect.

We pride ourselves on offering a very personal touch to your wedding.

## St Giles Church

Just a short walk along the tow path from the Nevill Arms, Medbourne church is one of the most beautiful churches in the Welland valley.

Led by Reverend Stephen Bishop, it is the perfect place to make your vows.

For more information please contact Stephen directly on 01858 565933

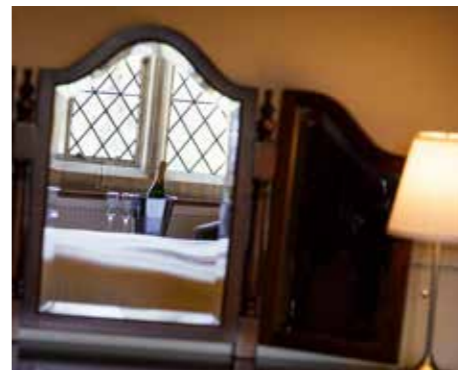

## Comfortable Rooms

All rooms will be available for your guests for the evening of your wedding celebrations. The rooms can be booked for the evenings prior to and after the wedding.

Staying on the evening before, prepares for the day very well, and of course the room is yours to get ready on the morning of the wedding.

All 10 tastefully finished rooms have en-suites and are located on the ground floor. Each room is sensibly equipped with flat screen tv, fibre optic wifi, complimentary hospitality tray with a choice of teas, coffees and hot chocolate, plenty of milk, homemade biscuits, still and sparkling mineral water, iron, ironing board, hairdryer and toiletries.
