

A hidden gem and a world away from the ordinary, The Arches Country House is just a short drive from the beautiful seaside town of Saltburn-by-the-Sea. Benefiting from an incredible coastal backdrop and set within a picturesque golf course, there really is no other venue with a location quite like us.

Privately owned and family run, we strive to extend our family warmth to the relationship we have with our wedding couples.

The main house, built in rustic sandstone, was originally a farming coach house and provides the most charming first impression for this truly special destination.

Opened in 1997 as a bed and breakfast for tourists and walkers visiting the local area, the potential of The Arches as an events venue was realised after hosting a family wedding. Over the years we have worked hard to deliver perfect weddings with a personal touch.

Exclusively, The Arches becomes yours, as we seamlessly host every precious part of your day.

Our brochure will guide you through the wonderful packages we offer:
