

Accessibility Statement

Step-less entry

Studios 1 and 5:

- ground floor rooms
- Full wheelchair access (front doors, side entry to garden, room door widths, corridor widths, unobstructed entryways)
- the bathrooms are level access, there are no additional steps or stairs in the rooms
- Studio 1 has a wet room

From the driveway through property ground floor into garden is all level.

there's no handrail on the driveway at the moment.

Studios with stairs

Studios 2, 3 and 6 are all on the first floor, up a single flight of steps. Our top floor has two flights, which is studios 4 and 7.

The Garden annex has steps and gravel on approach, and the coach house has a steep flight of metal stairs.

Lighting

All our rooms have side lamps, offering lower lighting options. The property has outside lighting which lights the approach.

Parking

Parking is available right at the property, studios 1 and 5 are both approximately three hundred yards at most from a parking spot, the rest are approximately four hundred yards.

Door and window handles are lever type (windows have a small button), taps and showers have lever controls.
